

ICSEE 2019

2019 THE 3RD INTERNATIONAL CONFERENCE ON SUSTAINABLE ENERGY ENGINEERING

Shanghai, China, May 24-26, 2019
<http://www.icsee.org/>

ICSEE 2019 will be held at Shanghai, China on May 24-26, 2019, hosted in Shanghai Jiaotong University. ICSEE 2019 will offer an extensive program of interest to academia, government and industry. It will include several distinguished keynote speakers and three conference days full of papers, posters, etc. A series of exciting speeches to develop skills and advance awareness of requirements engineering practices are of particular interest to industry. Sincere gratitude would be extended to all keynote speakers and conference members for their technical advices and pertinent suggestions, and to all the scholars and experts in this field for eager supports. We're looking forward to your attendance in Shanghai, China.

IMPORTANT DATES

 First Round Submission - 20 Jan. 2019

 Acceptance Notification - 10 Feb. 2019

 Registration Date - 28 Feb. 2019

CONFERENCE COMMITTEES

General Chair:

Zhixin Wang, Shanghai Jiaotong University, China

Program Chair:

Hee-Je Kim, Pusan National University, Korea

Technical Committees:

Nallusamy Nallusamy, SSN College of Engineering, India

Fengji Luo, The University of Sydney, Australia

Farhad Shahnia, Murdoch University, Australia

Ali Arefi, Murdoch University, Australia

Tsung- Mou Huang, National Sun Yat-Sen University, Taiwan

PUBLICATION

- All papers submitted to the conference will be subjected to the rigorous peer-review process. ICSEE 2019 all accepted papers, some excellent selected papers will be published into the conference proceedings, which will be sent to be reviewed by **Ei Compendex** and **Scopus**.

CALL FOR PAPERS

- Real-time monitoring of the power grid
- Redesigning the transmission network
- Pros and cons of Microgrids
- Limitations of green energy generation
- Load forecasting
- Power electronics devices for integration of renewable energy sources
- Battery technologies for intermittent power sources
- Next generation energy management systems
- Sustainable coal use and clean coal technologies
- Natural gas research and development

For more topics, please visit our website: <http://www.icsee.org/cfp.html>

SUBMISSION METHODS

Please submit abstracts/full paper via EasyChair for publication and presentation.

EasyChair Submission System:

<https://easychair.org/conferences/?conf=icsee2019>
