

ICSEE 2022

February 18-20, 2022 // Hobart (Tasmania), Australia

2022 6th International Conference on SUSTAINABLE ENERGY ENGINEERING

Co-Sponsored by
University of Tasmania, Australia

<http://www.icsee.org/>

2022 6th International Conference on Sustainable Energy Engineering (ICSEE 2022) will take place in **Hobart (Tasmania), Australia** on **February 18-20, 2022**. ICSEE 2022 is co-sponsored by University of Tasmania, Australia.

ICSEE 2022 will be an idea platform for scholars, researchers and professionals to exchange insights and discuss the development of Sustainable Energy Engineering. It will be a perfect gathering to learn about new perspectives, technologies and trends which might push the boundaries of the technology and eventually create a broader future for applications. Welcome the professionals, experts, managements and students from the universities, research institutions, and companies to attend the conference! Hoping to see you in Singapore!

▲ CONFERENCE TOPICS

● Distributed power generation	● Smart Grid and Renewable Energy Integration
● Limitations of green energy generation	● Green Energy in Transport
● Battery technologies for intermittent power sources	● Green Buildings and Infrastructures
● Sustainable coal use and clean coal technologies	● Low carbon city scenarios, plans and actions
● Power system economics, operation and control	● Green energy and energy access
● FACTS and HVDC controllers	● Energy in food production and processing
● Energy storage and cyber security for smart grids	● Income generation with green energy
● Hybrid vehicles and its integration	● Green Energy Education and Training

For more topics, please visit: <http://www.icsee.org/cfp.html>

▲ PUBLICATION

All papers submitted to the conference will be subjected to the rigorous peer-review process. ICSEE 2022 all accepted papers will be published into **ICSEE 2022 Conference Proceedings**, which submitted for **EI Compendex, Scopus**, Thomson Reuters (WoS), Inspec index, et al.

▲ IMPORTANT DATES

Submission deadline	November 10, 2021
Notification of Acceptance	November 30, 2021

▲ SUBMISSION METHOD

Submit paper via online system:

<http://confsys.iconf.org/submission/icsee2022>
